INDEPENDENT AUDITOR'S REPORT

To the Members of NIAGARA ARTISTS' COMPANY

I have audited the accompanying financial statements of NIAGARA ARTISTS' COMPANY, which comprise the statement of financial position as at June 30, 2016, the statement of operations and changes in net assets and the statement of cash flows for the year ended June 30, 2016, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, NIAGARA ARTISTS' COMPANY derives part of its revenue from presenting admissions, artistic revenue, memberships, facilities and equipment rental, donations, general fundraising revenue, and lottery the completeness of which is not susceptible to satisfactory audit verification. Accordingly, my verification of these revenues was limited to the amounts recorded in the records of the organization and I was not able to determine whether, as at and for the years ended June 30, 2016 and June 30, 2015, any adjustments might be necessary to revenue, excess of expenditures over revenue, assets and net assets. This caused me to qualify my audit opinion on the financial statements as at and for the year ended June 30, 2015.

Qualified Opinion

In my opinion, except for the effect of the matter described in the *Basis for Qualified Opinion* paragraph, the financial statements present fairly, in all material respects, the financial position of NIAGARA ARTISTS' COMPANY as at June 30, 2016 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to Financial Statements Year Ended June 30, 2016

1. Purpose of the Organization

The Niagara Artists' Company is incorporated under the laws of Ontario, is a corporation without share capital and is a non-profit organization, committed to exhibiting art. Niagara Artists' Company is a registered charity under the Income Tax Act and accordingly is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

2. Summary of Significant Accounting Policies

The financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO) and include the following significant accounting policies:

(a) Revenue Recognition

Niagara Artists' Company follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses

Unrestricted contributions, such as presenting admissions, artistic revenue, fees and guarantees, workshops, meetings and classes, donations, fundraising, and memberships are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Rental revenue is recognized as revenue when earned.

(b) Cash and cash equivalents

The organization's policy is to present bank balances under cash and cash equivalents.

(c) Inventory

Inventory consists of catalogues and is valued at the lower of cost and net realizable value. Cost has been determined on the first-in, first-out basis.

Notes to Financial Statements Year Ended June 30, 2016

2. Summary of Significant Accounting Policies (con'd)

(d) Capital Assets

Acquisitions of capital assets are recorded at cost. Contributed capital assets are recorded at the fair value of the asset at the time of contribution. Amortization is provided at rates as set out below with half the rate being used in the year of addition on the declining balance method.

Asset	Basis	Rate	
	-		
Building	Declining balance	4%	
Computer equipment	Declining balance	30%	
Furnishings	Declining balance	20%	
Installation and arts resource equipment	Declining balance	30%	

When a capital asset no longer has any long-term service potential to the organization, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations. Any write-down recognized is not reversed.

(e) Donated services

Donated services are not recognized in the financial statements due to the difficulty of determining their fair value.

(f) Use of Estimates

The preparation of the organization's financial statement in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the balance sheet date and the reported amounts of revenue and expenses during the period. Actual results could differ from such estimates.

(g) Financial instruments

Measurement

The organization initially measures its financial assets and financial liabilities at fair value.

The organization subsequently measures all its financial assets and financial liabilities at cost or amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in the statement of operations.

Notes to Financial Statements Year Ended June 30, 2016

2. Summary of Significant Accounting Policies (con'd)

(g) Financial instruments (con'd)

Financial assets measured at amortized cost include cash, accounts receivable and HST recoverable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, employee deductions payable and mortgage term loan payable.

For financial assets subsequently measured at cost or amortized cost, the organization regularly assesses whether there are any indications of impairment. If there is an indication of impairment, and the organization determines that there is a significant adverse change in the expected timing or amount of future cash flows from the financial asset, it recognizes an impairment loss in the statement of operations. Any reversals of previously recognized impairment losses are recognized in operations in the year the reversal occurs.

The Foundation invests the monies and distributes the earnings from the investment annually to the Niagara Artists' Company (2016 - \$533; 2015 - \$591). As at the year end the capital amount on deposit was \$15,452.

Notes to Financial Statements Year Ended June 30, 2016

11. Financial Instruments

The organization is exposed to various risks through its financial instruments.

Interest rate risk

The organization is subject to interest rate risk due to changes to the prime lending rate on its line of credit facility which bears a variable interest rate. The organization monitors its interest rate risk on this loan on an on-going basis.

Credit risk

For grants and accounts receivable, the organization assesses, on a continuous basis, amounts receivable on the basis of amounts it is virtually certain to receive based on their estimated realizable value.

Liquidity risk

Liquidity risk is the risk of being unable to meet cash requirement obligations as they come due. The organization manages its liquidity risk by constantly monitoring forecasted and actual cash flows and financial liability maturities, and by holding assets that can be readily converted into cash.

12. Comparative Information

Certain comparative amounts from 2015 have been reclassified to conform to the presentation adopted for 2016.
